

Indonesia's Investment Performance

2025 ANNUAL REVIEW | NATIONAL INVESTMENT

Indonesia recorded national investment realization equal to 101.3% of the 2025 target, with annual growth of 12.7%. These figures cover all sectors and should not be read as tourism-only investment.

Rp1,931.2 trillion

national investment realization in 2025

Key takeaways

- The full-year total was reported by the Ministry of Investment and Downstream Industry / BKPM in January 2026.
- Fourth-quarter 2025 realization reached Rp496.9 trillion, up 9.7% year on year.
- Use the BKPM release and its linked report for sector, region, and domestic-versus-foreign investment breakdowns.
