

Nusantara Investment Pathways

DESTINATION SPOTLIGHT | OFFICIAL IKN INFORMATION

The Nusantara investment portal presents opportunities across the capital development, including commercial infrastructure, housing, transport, health, education, and public facilities. Tourism-related proposals should be assessed within this wider development

12 development sectors

listed on the official Nusantara investment portal

Key takeaways

- Review current project information and partnership routes directly with the Nusantara Capital Authority.
- Check site, infrastructure, licensing, and delivery requirements for each specific proposal.
- Sector listings describe the development framework; they are not a guarantee that a project is open for investment.
